Consent for Background Check – Independent Contractor

This is to inform you that Prestige Home Building may request a consumer report from a consumer reporting agency in connection with your application for joining Independent Contractor Service Agreement. Any information contained in these reports may be taken into consideration in evaluating your application.

For purposes, a consumer report consists of credit check, criminal history records, motor vehicle records, education and independent contract employment verification. The Federal Fair Credit Reporting Act (FCRA) is designed to promote accuracy, fairness, and privacy of information in the files of every “consumer reporting agency” (CRA). Most CRAs are credit bureaus that gather and sell information about you to creditors, employers, landlords, and other businesses. As part of the FCRA, a CRA may not provide information about you to a prospective Company without your written consent.

If it appears likely an adverse decision regarding your association with Prestige Home Building may be made based entirely or in part on information contained in these reports, you may be notified of this possibility before a final decision is made. At that time, you will be provided with a copy of any consumer reports Prestige Home Building has requested on you, as well as a summary of your rights under the FCRA.

Your consent is required by law for the release of this information. Your signature on this form indicates you have carefully read and understand this notice and authorizes the release of a consumer report to Prestige Home Bui for the purpose described above.
